Sir:

This is a submission by Bell & Associates on behalf of a concerned member of the public ("the submitter"). The submission is of prior art that the submitter believes has a strong prejudicial bearing upon the patentability of claims pending in US application 10/775,744 entitled "Time series monitoring system".

The claims as pending in 10/775,744 are shown in APPENDIX II.

The prior art references are shown in APPENDIX I.
